Executive Summary

CEO'S STATEMENT

At Damo Premium Security Service Limited, security is not just a service—it is a commitment to safeguarding lives, property, and peace of mind. In today's dynamic environment, threats evolve rapidly, and so must our solutions. That is why we have built our company on three pillars: integrity, vigilance, and innovation.

Our mission is clear: to deliver uncompromising protection through highly trained personnel, advanced technology, and tailored strategies that meet the unique needs of every client. From manned guarding and surveillance to executive protection and cybersecurity, we provide comprehensive solutions that ensure safety without compromise.

We take pride in being more than a security provider—we are a trusted partner. Every client relationship is built on transparency, professionalism, and reliability. Whether protecting families, businesses, or institutions, we stand ready 24/7 to respond with precision and care.

Looking ahead, we remain committed to investing in our people, embracing cutting-edge technologies, and setting new standards in the security industry. Our vision is to be recognised not only for the services we deliver but for the confidence and peace of mind we inspire.

Abdirahman Mohamed Sheikh Iman is a security industry professional committed to delivering private security services in full compliance with the Private Security Regulatory Authority (PSRA) of Kenya. As the Managing Director of Damo Premium Security Service Limited, he provides strategic leadership anchored on legality, professionalism, integrity, and ethical conduct.

Under his leadership, the company upholds PSRA requirements through proper licensing, structured training, personnel vetting, and adherence to operational standards. He emphasises continuous capacity building, disciplined deployment, and client-focused service delivery to ensure effective protection of lives, property, and assets.

Guided by national regulations and international best practices, his vision is to contribute positively to Kenya's private security sector by providing reliable, accountable, and compliant security solutions while maintaining public trust and safety.

On behalf of the entire team, I thank our clients and partners for trusting us with what matters most. Together, we will continue to build safer communities and stronger futures.

Abdirahman Mohamed Sheikh Iman,
Chief Executive Officer,

Our Core Services

MANNED GUARDING |

Our manned guarding division is the backbone of our operations. We provide:

- **Residential Security:** Guards trained to protect gated communities, apartments, and estates, ensuring residents feel safe at all times.
- **Corporate Security:** Professional officers stationed at offices, malls, and industrial facilities, combining vigilance with customer service.
- **Mobile Patrols:** Regular patrols across wide areas or multiple sites, deterring crime through visible presence.
- **Specialised Guards:** Personnel trained in conflict resolution, access control, and emergency response, tailored to client environments.

Value Add: Beyond physical presence, our guards act as brand ambassadors—professional, courteous, and aligned with your company’s image.

SURVEILLANCE & MONITORING

We integrate technology with human expertise to deliver proactive monitoring solutions:

- **CCTV Systems:** Installation, integration, and 24/7 monitoring with high-definition cameras.
- **Alarm Systems:** Intrusion detection linked to rapid response units.
- **Access Control:** Biometric, RFID, and keypad systems to regulate entry.
- **Remote Monitoring Centres:** Real-time reporting and incident alerts, accessible to clients via secure dashboards.

Value Add: Our surveillance solutions reduce blind spots and provide actionable intelligence, not just recordings.

RAPID RESPONSE & EMERGENCY SERVICES

When seconds matter, our rapid response teams deliver:

- **Alarm Activation Response:** Immediate deployment to sites when alarms are triggered.
- **Emergency Coordination:** Fire, medical, or crisis response with trained personnel.
- **Evacuation Support:** Structured evacuation plans for offices, malls, and events.

Value Add: We minimise downtime and damage by ensuring swift, coordinated action during emergencies.

VIP & EXECUTIVE PROTECTION |

Discretion and professionalism define our close protection services:

- **Personal Security Officers:** Trained in defensive driving, surveillance detection, and crisis management.
- **Secure Escorts:** For high-profile individuals, diplomats, and executives.
- **Protocol Compliance:** Adherence to international standards for diplomatic and corporate protection.

Value Add: We safeguard reputations as much as lives, ensuring clients move confidently in public and private spaces.

EVENT & CROWD SECURITY

Large gatherings demand specialised planning and control:

- **Risk Assessments:** Venue surveys to identify vulnerabilities before events.
- **Crowd Management:** Trained personnel to manage entry, exits, and crowd flow.
- **Emergency Response:** Teams on standby for medical, fire, or security incidents.

Value Add: We ensure events run smoothly, protecting both attendees and organisers from reputational or physical risks.

CASH-IN-TRANSIT & ASSET PROTECTION

We secure the movement of valuables with precision:

- **Armoured Vehicles:** Equipped for safe transport of cash and sensitive assets.
- **Escort Teams:** Trained personnel accompanying high-value transfers.
- **Logistics Planning:** Secure routes and contingency planning for banks, retail chains, and corporates.

Value Add: Our services reduce exposure to theft and fraud, ensuring financial operations remain uninterrupted.

K9 SECURITY UNITS |

Our canine division enhances detection and deterrence:

- **Patrol Dogs:** For perimeter security and crowd deterrence.
- **Detection Dogs:** Trained to identify narcotics, explosives, and contraband.
- **Specialised Training:** Dogs and handlers certified for high-risk environments.

Value Add: K9 units provide both psychological deterrence and specialised detection capabilities.

CYBERSECURITY SOLUTIONS |

In today's digital age, physical security must be matched with cyber resilience:

- **Network Monitoring:** Continuous oversight to detect breaches.
- **Penetration Testing:** Identifying vulnerabilities before attackers exploit them.
- **Fraud Prevention:** Systems to protect financial and corporate data.
- **Compliance Audits:** Ensuring adherence to data protection regulations.

Value Add: We protect not just physical assets but digital reputations, keeping businesses secure in a connected world.

Clientele & Partnerships

We proudly serve:

- Residential estates and gated communities.
- Corporate offices, malls, and industrial facilities.
- Banks, retail chains, and financial institutions.
- Government agencies and diplomatic missions.
- Event organisers and entertainment companies.
